TIPPING MADE SIMPLE— GRAT-Z INTRODUCES THE GRAT-PACK® TIPPING SYSTEM

February 2006; Higley, Arizona

Grat-Z, a provider of gratuity stationery, announces its revolutionary new product, the **Grat-Pack**®. The Grat-Pack was created to make the tipping process easier and more discreet with its all-inclusive system; the first of its kind to ever hit the market.

“Many times, while my husband and I traveled, we found ourselves scrambling at the end of a cruise or tour in search of an envelope for the gratuities we wanted to offer. We didn’t want to just hand over currency in public, or use the hotel or cruise line’s own envelopes—we wanted something more personal and convenient. That’s when I came up with the idea to create a gratuity system.” explained Lorice Sherman, Grat-Z President and creator of Grat-Pack.

For only \$10 retail, each Grat-Pack features twelve envelopes, a personal record keeping section and useful tipping guidelines for a handy reference while traveling. At only 5 x 7 inches, the pack fits well into a purse, carry-on bag or a suitcase. A Grat-Pack enables simplified tipping of service staff such as tour directors, tour bus drivers, stateroom attendants, butlers, Maitre d’, concierge and more.

“A Grat-Pack is like a checkbook—when you require an envelope, fill out the top portion for your own documentation, tear off the corresponding envelope, insert your cash gratuity, seal and deliver.” explained Sherman. {product photograph available at www.grat-z.com}

Grat-Packs are ideal for new and seasoned travelers who wish to extend gratuities in a sophisticated, yet personal manner.

Additionally, Grat-Packs make an excellent client gift from travel providers who wish to provide a useful travel tool, along with educating them in tipping etiquette. Wholesale prices are available upon request.
